## Alan Frazer - Artist

---

To capture the light, that feeling , that sense of place are challenges that seek to define Alan's art . Alan's work has been heavily Influenced by the grandeur of the Australia landscape and more recently the beauty of the Macleay region where he now calls home.

Primarily a traditional artist who enjoys most mediums Alan's preference is to work in oils given the softness and flexibility of the medium.

Unless indicated as sold paintings in this catalogue are available to be purchased. If you have a special place, a photograph then commissions can be undertaken.

Upon request limited edition prints are also available for selected works.
